

Gamma Compliance Solutions

Your Trusted Compliance Partner

HOW IT WORKS

WHO WE ARE

Gamma Compliance Solutions has been a trusted provider of regulatory compliance tools and guidance since 1999. We serve healthcare, dental, and veterinary professionals nationwide.

WHAT WE DO

We offer practical, easy-to-implement compliance solutions — from DIY documentation kits and online training to required postings, regulatory signage, and more.

WHAT'S NEXT?

This guide will introduce our compliance solutions, show you how we support healthcare organizations, and outline the simple steps to explore a demo, review pricing, and place orders as needed.

HOW WE SUPPORT YOU

We provide **industry-leading** compliance support, automated updates, and expert guidance. Corporate teams and practices receive direct assistance to ensure consistent, effective compliance nationwide.

ABOUT US

25+ Years of Expertise

Regulatory compliance is what we do — and have done for over 25 years. You can count on proven experience to guide you through every requirement.

DIY, But Not Alone

Our products are built for easy implementation with no prior expertise required. And if you need help, our experts are just a call or click away.

Compliance Without the Headache

We simplify complex regulations into clear, practical solutions—no jargon, no stress.

Formats That Fit Your Workflow

Get what you need, how you need it: printed materials delivered to your door or digital downloads for instant access.

Expert Support, Every Step of the Way

Whether you're placing your first order or managing annual updates, our responsive, knowledgeable team has your back.

Effortless Training Management

Deliver, track, and document staff training with our online platform—complete with instant certification and real-time reporting.

DENTAL

WHY DENTAL ORGANIZATIONS CHOOSE GAMMA

- ✔ Products customized for dental workflows, operatories, and sterilization practices
- ✔ Trusted by solo providers, group practices, and DSOs across the U.S.
- ✔ Training reviewed by licensed dentists, legal experts, and compliance advisors
- ✔ Up-to-date documentation aligned with state and federal requirements
- ✔ Fast delivery and responsive support

WHO WE SERVE

- ✔ General dentistry
- ✔ Pediatric, endodontic, and periodontic practices
- ✔ Oral surgery and implant centers
- ✔ Orthodontics and cosmetic dentistry
- ✔ DSOs and multi-location dental groups
- ✔ Mobile dental programs and school-based providers

PARTNER FAQs

Q: Who needs these products?

Any dental practice with employees is required to maintain OSHA, HIPAA, infection control, and sexual harassment prevention compliance.

Q: How often do clients need to renew?

Regulations require annual training and documentation updates. Gamma's solutions are designed with that schedule in mind.

Q: Can small practices use these tools?

Absolutely. Regulatory compliance applies to all practices — from single-provider offices to multi-site groups.

COMPLIANCE PRODUCTS FOR DENTAL CLIENTS

- ✔ Family medicine
- ✔ Internal medicine
- ✔ Urgent care centers
- ✔ Specialty clinics (dermatology, cardiology, etc.)
- ✔ Aesthetic and medical spa practices
- ✔ Concierge and telehealth groups
- ✔ Multi-location healthcare groups

PARTNER FAQs

Q: Who needs these products?

Any medical practice that employs staff or handles protected health information must meet OSHA, HIPAA, and sexual harassment prevention requirements.

Q: How often do clients need to renew?

Regulations require annual training and documentation updates. Gamma's products are designed with that cycle in mind.

Q: Can small practices use these tools?

Absolutely. Regulatory compliance applies to all practice sizes — including solo providers and part-time staff.

COMPLIANCE PRODUCTS FOR MEDICAL CLIENTS

OSHA Compliance Kits

- ✓ Includes required documentation, printed plans, signage, and hazard labels
- ✓ Built for medical practice environments, including outpatient and ambulatory care

HIPAA Compliance Kits

- ✓ Covers Privacy & Security Rule requirements
- ✓ Includes policy templates, notice of privacy practices, and administrative materials

Online Training

- ✓ Courses: OSHA, HIPAA, and Sexual Harassment Prevention
- ✓ Role-based access for clinical and admin staff
- ✓ Certificates provided; completion records stored in our **online training dashboard** for easy access and tracking

VETERINARY

WHY VETERINARY ORGANIZATIONS CHOOSE GAMMA

- ✔ Built for veterinary environments — from front desk to surgery
- ✔ Trusted by solo veterinarians, clinics, and regional groups
- ✔ Developed with input from DVMs, legal experts, and regulatory consultants
- ✔ Up-to-date documentation aligned with OSHA requirements
- ✔ Fast shipping and reliable partner support

WHO WE SERVE

- ✔ Companion animal practices
- ✔ Emergency and specialty hospitals
- ✔ Mobile and house-call veterinarians
- ✔ Equine and mixed animal clinics
- ✔ Spay/neuter and nonprofit animal care groups
- ✔ Multi-location veterinary service organizations

PARTNER FAQs

Q: Do veterinary clinics need OSHA compliance?

Yes — OSHA applies to any veterinary employer with one or more employees. Clinics must provide workplace safety training and written programs.

Q: What about sexual harassment prevention training?

Many states now require it annually. Our training meets key standards and is appropriate for veterinary workplaces.

Q: Do small or mobile practices need this?

Absolutely. Compliance applies regardless of location type or staff size.
